

CRUSHER

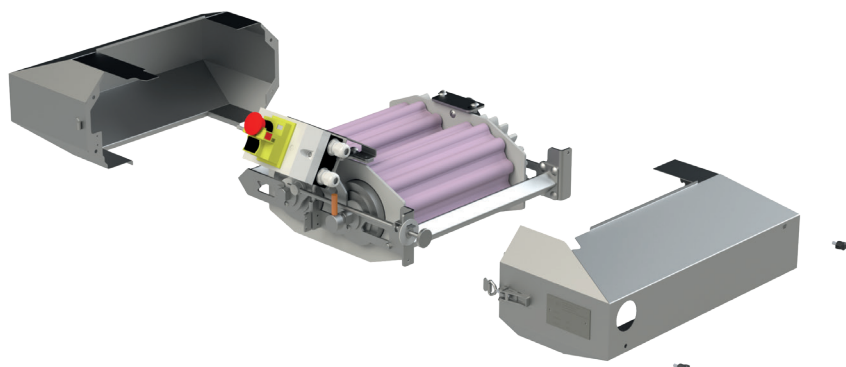

A CRUSHER WITH MANY ADVANTAGES

- ▶ Thanks to the integrated motor in one of the rollers, it is compact and light.
- ▶ The covers can be removed without the use of tools, making it easy to clean.
- ▶ With its unique adjustment knob, its effect on the grapes is perfectly controlled, keeping the rollers consistently parallel.
- ▶ Unparalleled crush quality.
- ▶ Great care is taken with the fruit thanks to the materials used.
- ▶ Unique adaptability to fit any configuration.

COMPOSITION

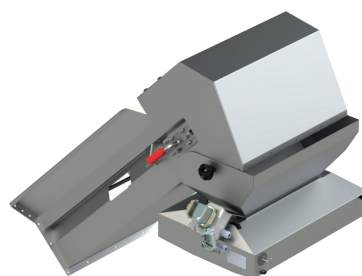

- ▶ Covered motorised drum.
- ▶ Drum driven by a large tooth sprocket.
- ▶ Custom flexible food-grade coverings.
- ▶ Spacing adjustment knob.
- ▶ Removable bonnet held by latches.
- ▶ IP55 Junction box.

Crusher with covers removed
